

Dog Guest Policy

We love dogs at The Burr House and we want their visit to be comfortable for them as well as our other guests. Below are our requirements and suggestions for dog guests to make their stay a great experience for everyone.

Dogs welcomed at the Burr House must be

- 50 pounds or less
- well-behaved and well-traveled
- non-aggressive and quiet
- free of fleas
- up-to-date on all shots

For everyone's safety, dogs must be leashed at all times when outside of their room, and should never be left unattended in their room. Your dog will feel most comfortable sleeping in his crate or carrier, and should always be on his own rug or blanket when out of his cage in his room. Dogs are not allowed on furniture. Your leashed dog is free to travel about in The Burr House common areas and patio when other guests are not present; however, he should be prepared to move back to his room if other guests arrive as some guests may fear your pet.

Your dog will enjoy the grounds at The Burr House which is set far off the road, offering safety and privacy. Upon arrival, we will show your dog the best place to "do his business" and will ask you to clean up after your pet. A scooper as well as disposal bags are available for your use. Burr Road is a rather quiet neighborhood and offers a great place for a longer walk if you and your pet would enjoy some exercise together. Please wipe paws and check for ticks before returning inside.

Your room rate includes a breakfast for both you and your dog. Quiet dogs may be left in their cage in their room during breakfast if you would like to have breakfast with other guests; or, both you and your dog may have breakfast together in the Grand Kitchen or on the patio while other guests eat in the dining room; or, perhaps you would like to request breakfast in your room. Please let us know what you would prefer. Although he may prefer to bring his own familiar food, we will provide Purina Dog Chow Little Bites, if your dog would enjoy that brand of dog food.

There is a \$25 fee for your pet's stay at The Burr House. Any damages or additional cleaning caused by his stay will be billed to your credit card.

If you want to go out and would like day-care for your pet, it is available at the rate of \$15 for an 8-hour day provided your dog is well-behaved, crate trained, and thoroughly housebroken.

The Fisherman's Room is the choice for guests traveling with pets. It is located at the top of the stairs, and is the room closest to an exterior door. You and your dog will arrive to find a basket of supplies in the room in case you forgot to pack something, i.e. food bowls, leash, towels, blanket, snacks, etc.

Thank you in advance for your cooperation. We hope you and your dog have a great stay!
